

ULUGBEK YULDASHBOYEV

FULL STACK DEVELOPER

I have strong backend in NodeJS, NestJS, JavaScript, VueJS, HTML, CSS, PostgreSQL and MongoDB. As a recent bachelor's degree graduate, I would like to join your team and contribute to its success. I am excited to work with a dynamic team and develop my skills in a fast-paced environment. I look forward to the opportunity to contribute to the growth and success of your organization.
